Issue of Equity: Stock Dividend

Beximco Pharmaceuticals Limited ("BPL" or "Company"; AIM Symbol: BXP) announces that the stock dividend proposed on 18 May 2012 and passed by shareholders at the Annual General Meeting on 1 July 2012 has been credited to shareholder accounts.

The Company has applied for admission of 11,856,062 new GDRs issued in respect of the stock dividend to be admitted to trading on the London Stock Exchange's AIM market and admission is expected to occur on or around 22 February 2013.

Following admission, the total issued share capital of the Company will be 304,639,050 ordinary shares of Taka 10 ("Ordinary Shares"), of which 68,313,501 will be represented by GDRs, each representing one Ordinary Share of Taka 10. The new Ordinary Shares will rank pari passu in all respects with the existing issued Ordinary Shares, all having voting rights.
